JB Product Premium Quality

The Leading Supplier of Comprehensive Foodservice Solutions for F&B Operations

【30 Years Specialized in Manufacturing PC Clear Foodservice Ware】

JB Products Factory Limited was founded in 1996.

JB Products keeps exploring material innovation by utilizing advanced new materials including PC, PP, PMMA and melamine.

We have successfully rolled out a full lineup of premium goods covering kitchen, front-of-house, hotel guestroom, floral vase, aquatic and storage applications.

We operate a portfolio of well-known brands under its umbrella, including JB Products (covering PC and melamine series), MLV, Starwares, and XYZ.

Our marketing network spans mainland China, the United States, Japan and numerous other countries and regions globally.

JB Products fully considers market demands and social concerns. We carry out product R&D and manufacturing with safety as our top priority.

We have set up a comprehensive quality assurance system and obtained a host of authoritative domestic and international certifications.

By exercising full control over every link spanning R&D, manufacturing and sales, JB Products has grown into one of the most distinguished manufacturers domestically and globally.
We keep delivering all-around, premium products and services for foodservice and household use.

Moving forward, JB Products will steadily boost its core competitiveness to solidify and elevate our leading position within the industry. We will vigorously expand domestic and international markets, keep developing premium products to meet market demand, create development opportunities for employees, deliver returns to shareholders, and shoulder our social responsibilities.
